## FROM THE PASTOR'S DESK:

As we move into summer, I would like to take the time to update all of you on the ministry, specifically, the online portion of it.

Those of you who watch the sermons know, we have announced our first ever live stream of the Sunday morning church service, and I look forward to all of you tuning in on July 7th! Our services are at 11:00 AM Sunday Morning on the YouTube Channel. We are on Pacific Time, so be sure to adjust to your time zone. You can join us at this address:

<https://www.youtube.com/channel/UCz1uuxbUZobwe1M66nHlfgg/featured>

Near the top you will see this icon:

When you subscribe and hit the notification button, YouTube will remind you that we are starting. There is a special ***notify me*** button for the live streaming. My main focus since the beginning of this year has been to teach that America is the Zion of Bible Prophecy and how many of those prophecies have been fulfilled, are being fulfilled, and which are future. Remember we have a glorious future in the completed Kingdom of God.

Since early spring we have begun to make several changes concerning the online outreach we have and the church's website. As requested, online transactions involving the giving of tithes and offerings is now available as well as the ability to purchase books and other reading materials. I have been working on integrating a media player onto the website as well. This would allow us to store all of our digital media on a private server of our own and give you the ability to stream and download any audio or video file of your choice once the files all become available after being uploaded. I ask that you all continue to be patient with us during the process as it is a long and very involved one that I am taking on by myself.

With the new additions to the website regarding transactions, please inform us if you are a new listener or you would like more information about us and the Kingdom Ministry's message. We regularly send out an introductory packet to new listeners and those that wish to know more, however, over these few months we have had people donating and ordering with little to no contact information. We would like you to know that what you send in and what you request is seen, however, we rarely have a way to correspond with you, usually due to no contact information given or an anonymous SMTP service or open relay. For our entire existence, we have never shared anyone's information without their permission and that will remain our policy. Remember Jesus told us in **Matthew 10:16:**

***...be ye therefore wise as serpents, and harmless as doves.***

But He also said in **Luke 17:33**:

***Whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it.***

As of late, what I have resolved to do so far is send a thank you to the person and asked if they'd like to know more or become a subscriber to the current newsletter; either the physical or digital one. If you do contact us, please leave more detailed information about yourself and what you would like along with either a physical address or e-mail.

As to the people that follow along with us online via YouTube or Bitchute, I do read your comments and I thank each and every one of you for them. I will try to get around to responding to them as I am able. Just know that your subscription and comments are very encouraging and I am always happy to read your comments and questions. We have had a sizeable increase in listeners over the past few weeks alone, with many first-time listeners writing or e-mailing the church. Some of newcomers are even binge watching the whole channel and leaving comments as they go along! This is one of the reasons that I am working to have all the digital files we have available onto the website as quickly as possible.

Your support of this ministry is much appreciated and I wanted to take the time this month to thank you for it and let you know that even though there are those of you who leave anonymous comments and website correspondence, I see you and I thank you personally for it. I will continue to work hard for all of you out there as I, myself, am a servant for the Kingdom of God.

*Pastor Reid*

***Hearken unto me, ye that know righteousness, the people in whose heart is my law; fear ye not the reproach of men, neither be ye afraid of their revilings.***

# **From His Tail to His Snout**

By John T. Reagan

## **Psalm 84:11**

Do you think, brother, that in God's great plan  
When He was prescribing the best food for man  
That He made a mistake in leaving the swine out?  
For he was not good from his tail to his snout!

## **1 Corinthians 3:17**

Oh, the carcass of an old dead horse or a cow  
Don't get too rotten for a dirty old sow  
Though we holler a lot about boils and the gout  
We eat Miss Piggy from her tail to her snout!

## **Ezekiel 33:11**

We couldn't eat the buzzard, we'd think it a crime  
But how much more filthy is he than the swine  
That we make into pie, or we cook him with kraut  
And eat him or die, from his tail to his snout?

## **Isaiah 66:2-4**

We cook him with cabbage or boil him with greens  
With his mangy old hide we season our beans  
With his scabs and his boils within and without  
Sweet piggy, we eat from his tail to his snout!

## **Isaiah 55:2**

On filth they feast, while in stink holes they lay  
And still for their carcass our money we pay  
The preacher, professor, or the judge on his bench  
Eat the carrion-eater, his filth, and his stench

## **Ezekiel 22:26**

In the filth you can see him clear up to his eyes  
His shiny old carcass all covered with flies  
Most dead with cholera (due to butcher no doubt)  
We still think him good from his tail to his snout!

## **2 Corinthians 6:17**

We eat the old grunter, we eat the young shoat  
The fat that we fancied may be pus or bloat

It would smell as good, and as healthy no doubt  
As the hooves and the hide, the tail and the snout!

**Isaiah 66:17**

We may like him lean, or may like him best fat  
Just as well eat the dog, or else the cat  
Just as well eat the buzzard, the owl, or the bat  
The lizzard or the snake, the mouse or the rat!

**Romans 12:1**

Our most sensitive natures would almost run wild  
If we handled the corpse of a man or a child  
But we sit at our table and cram down our throat  
With the greatest relish – the corpse of a shoat!

**Deuteronomy 14:8**

God made him a scavenger, He says he's unclean  
What other creature is as filthy and mean?  
If we eat his flesh, or touch his dead carcass  
With sin and disease it surely will mark us

**Leviticus 11:7-8**

Tis sad, brother, although God's Word is just  
We eat the slop-eater, for eat him we must  
The dirtiest of beasts, we will not do without  
But eat them we will, from the tail to the snout!

**Matthew 15:8**

How we sing and we talk of God's love so divine  
Like vultures, then feast on the dirty old swine  
We might shun many ills, and diseases, no doubt  
By not eating him – from his tail to his snout!

**1 Corinthians 10:31**

Yes, we worship the Lord, and pray and shout  
But that old hog flavor, we can't do without  
For ham, bacon, and sausage we'll go the route  
And eat the whole hog, from his tail to his snout!

**2 Peter 2:22**

In God's Word we find, he is classed with the dog  
No matter how high bred, he's still just a hog

Though you wash him, or teach if you will  
He still will go back to his mire and his will

**Genesis 1:29**

We'd be better off if we obeyed God's command  
And ate vegetables, grain, and fruit of the land  
Then it wouldn't take half of the tonic and pills  
To relieve all mankind of their swine-fed ills

**Genesis 9:5**

You may think of fresh pork as a very rare treat  
But our bodies are made of just what we eat  
And the food he has eaten, the filth of the land  
Goes into our body as food, second hand!

**3 John 1:2**

No wonder we are weak and heart beats so slow  
Sanitariums are full, hospitals overflow  
For we eat such unclean, abominable things  
That are creeping, crawling, or flying with wings!

**Psalm 119:105**

God forbade us to eat these dirty old creatures  
No matter what is the theory of preachers  
If left to man's opinion -- we'd not know the right  
But thank the Lord, in His Word there is light!

**Luke 4:2-3**

And now, my brother, you may no doubt recall  
Indulgences of appetite caused old Adams fall  
Our Savior was tempted on this point, no doubt  
So why do we eat from his tail to his snout?

**Revelation 22:11-12**

Now I've told you my story, recited my piece  
If you can eat pork with your conscience at ease  
If sin, filth, or disease, you care little about  
Then just keep on eating the brute  
**FROM HIS TAIL TO HIS SNOUT!**

## A Better Me, a Better You

by Margaret Reid

Summer is finally here and with it, long warm days for beach going. I am home from the beach now, with a nice sun burn starting and all the kids tuckered out from the swimming and the sunshine. Summer is my absolute favorite. The sunshine makes me happy and excited, and more grateful for life. I love all the green things growing and the long days here. It is easy to feel like you can get so much done. The reality is, there are a lot of moving parts around here all the time, and I only ever add things to the list. Nothing ever gets checked off for me. I have decades of meal planning, laundry, cleaning schedules, organizing, decluttering, rearranging and the like in front of me. What I have added is more meal prep, healthier cleaner foods, and more foods that make it to my personal “banned foods” list, gardening, with that, canning, weeding the garden, building gardens and, hopefully this fall, a green house. Next year I hope we can get a couple dozen layers to help bring our egg budget down, the year after that I am hoping and praying we can put in the infrastructure for a dairy cow. A2/A2 Jersey of course.

We are already so busy all the time with the short list of things I do now. Why on God’s green earth would I want to add so much more work for myself? The answer is twofold. The first is simple, I prefer to know where my things come from if I can help it at all, and in some cases, it is cheaper to do it myself. The larger part is my health. In December of 2022, during routine testing through my midwife, I found out that I had Thyroid antibodies and was put on medication. Levothyroxine. Medicine I was told I will be on for the rest of my life. I do not take to news like that very well, but within a few months, the medication had changed everything for me.

Suddenly, even though I was pregnant, I was not so tired anymore. I was not so angry, I could think more clearly. I felt like myself for the first time in a handful of years. I struggled to share this so publicly with the readers of the newsletter, but

it has had such a massive impact on my life, and I think other people struggle in this day and age with their health too. It is important to have someone going through it too. We live in a toxic world. Now, I most certainly believe my bad habits got me where I am today. I was a two pack a day smoker for the better part of a decade, smoking a total of thirteen years. I always drank soda when I smoked, maybe up to a case a day. We only ate processed foods. So much so, that Pastor Reid is fond of telling people, *"My wife doesn't eat vegetables"* even though I do eat them every day now. I did not know, when I was pregnant with Charlotte that there was anything to explain why I could not stay awake past 8 pm the last couple of years. Why I was grumpy all day every day. Why I couldn't just shake off the baby weight anymore? Why the pregnancy brain fog never resolved?

Prior to this enlightenment, I had been slowly cutting out things in my life that did not make me feel better. It started with my mother-in-law actually. I remember she had asked if I ever fed Ethan vegetables as a baby. Honestly, it had never occurred to me. Fast forward a few years later, and she was in a program called *The Next 56 Days*. She would call or come over after each weekly meeting and we would discuss what she had learned. It was fascinating to me. I remember maltodextrin becoming my first banned food. If any food had that in it, I no longer bought it. I still do not. I learned to interpret food labels better, and really began to focus on more homemade food items.

I am roughly ten years in to this journey. In that time, I have quit smoking (nine years this August), I have quit caffeine, I have quit drinking, although, occasionally I will enjoy a brew. I have several times now, quit sugar. That one is a real struggle for me. I have given up gluten and gone back again and given it up again. I have given up food dyes, and ultra-processed foods. I make anything I can from scratch now. All my seasoning mixes, yogurt, granola, snack foods, and every meal in between. If we eat any bread products I make them

all, and it is only sourdough. In my education, I have learned that chemically altered foods, alter you chemically. Environmental toxins do not pass through your body like the food does, you need to work it out of your system through detox.

Detox is my next hurdle. In the near future, my goal is to see if I can identify what toxins I may have and the very best way to detox from them. Detoxing does not just include the toxins from your body, however. I have detoxed from social media, having rid myself of Facebook, Instagram, and finally Snapchat. They bring me no benefit and are filled with toxic people, spreading their filth. Outside of that, they are just a time-suck for me, and I cannot afford to waste my time.

I plan to add cold plunges to my regular health and fitness routine, but to be honest, the lake was terribly cold last week and I could not bring myself to get in past my thighs. I do not know how I will work up the gumption to get in an ice bath!

My goal in all of this is optimum health. I do not believe I will be able to reverse my condition. I do believe I can stop it from getting worse, and live life more abundantly. I believe God designed our bodies to heal with proper nutrition, fitness, and spiritual wellness. I am getting older, but I am not quite ready to let go of the youth I possess. I still feel healthy, I still feel strong, and I intend to keep it that way for as long as possible. I hope that you all will walk alongside me to be the best

version of yourself you can be. Eat better, exercise more, breathe in the fresh air. Give up the junk that no longer serves you. Quit smoking, stop drinking the soda, put down the remote. God gave us life more abundantly. Do not waste it on Babylon's fake blessings with junk food and binge watching TV.

## Maggie's Crunchy Granola

3 Cups Oats  
1 Cup Unsweetened Coconut  
1 Cup Nuts of Choice  
¼ Cup Chia Seeds  
1 ½ Cups Natural Peanut Butter  
1 Cup Pure Maple Syrup  
Vanilla – Measured with the heart  
1 tsp Salt

Preheat oven to 300F. Prepare a sheet pan (13.5 x 9”) with parchment paper.

Combine dry ingredients. Combine wet ingredients, holding off on the vanilla. Heat the wet ingredients to combine more easily. Add vanilla, combine wet and dry. Mix until fully incorporated

Spread granola onto prepared sheet pan, press firmly into pan. If you have a second pan of the same size, place parchment paper on top and put pan onto and squish it down. I stand on mine.

Put granola in oven for 20 minutes (we are at a high elevation, times may vary) remove, carefully flip, leaving large pieces intact. Put back in the oven for 20 more minutes. After it is finished, shut off oven and let it cool inside the oven. Once fully cooled, place inside container of choice (1/2 gallon mason jar works well) and store in a cool dry place up to a month. (Mine has never lasted that long.)

This recipe is super forgiving and very versatile. You can use peanuts, almonds, sunflower seeds, walnuts etc. or a combination of all of them. Shelled pumpkin seeds would be great, chopped hazelnuts, whatever you would like. You can probably add up to 1 more cup of nuts without altering the liquid and still be ok. Any dried fruit either needs to be soaked before mixing or added after it is cooked. I make this granola once a week, either for a snack, or to go with my homemade yogurt.

## Who Was Cain?

By Pastor Earl Linville, OK

There is a doctrine out there that Cain was born as a result of a supernatural being named satan who seduced Eve. Therefore, according to the doctrine, Cain is the son of the devil. But is this true? Please consider the following clear Biblical Scriptures.

### **KJV Genesis 4:1**

*And Adam knew Eve his wife; and she conceived, and bare Cain, and said, I have gotten a man from the Lord.*

### **Ferrar Fenton Genesis 4:1**

*The man afterwards knew Eve his wife and she conceived and gave birth to Cain, and said "I have been given a man from the EVER-LIVING.*

### **Lamsa Genesis 4:1**

*And Adam knew Eve his wife; and she conceived and bore Cain, and said "I have gotten a man for the LORD.*

It is universally understood that when the Bible says Adam knew Eve, or when any man in the Bible is said to "know his wife," it means he had sexual relations with Eve, she became pregnant and gave birth to Cain. Yet, dual seedliners somehow tell us that satan "also" had sex with Eve and impregnated her also. So according to them Cain was satan's son and Abel was Adam's son. The problem with that, is that it is not Biblical. The Bible does not say that as shown above.

But still, let us think about it. If Cain "was" the son of some supernatural evil spirit being, we would have to agree that there would be no hope for him. There would be no chance for him to do right. It could not possibly be in him, right? Yet the Bible is very clear in the following verses that it was possible for Cain to do the right thing.

### **Genesis 4:3-7**

*<sup>3</sup> And in process of time it came to pass, that Cain brought of the fruit of the ground an offering unto the Lord.*

*<sup>4</sup> And Abel, he also brought of the firstlings of his flock and of the fat thereof. And the Lord had respect unto Abel*

***and to his offering:***

***5 But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell.***

***6 And the Lord said unto Cain, Why art thou wroth? and why is thy countenance fallen?***

***7 If thou doest well, shalt thou not be accepted? and if thou doest not well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him.***

God is telling Cain that if he does well, (the right thing), he will be accepted. If not, sin lies at the door and Cain will be sin's desire. And ***thou shalt rule over him***. I believe that this last line is saying that Cain "should" rule over his sin. Notice that the KJV personifies the word sin. The KJV can be complicated with its archaic language so let us see this text in the Ferrar Fenton, a very reliable version of the Bible

***3 But Cain was a cultivator of the soil And during the harvest time Cain brought some of the produce of the ground as an offering to the EVER-LIVING.***

***4 And Abel also brought of the best and fattest of his sheep. And the LORD looked favorable upon Abel and his offering;***

***5 but He did not regard Cain and his offering with favor. Cain therefore was very angry, and his countenance fell.***

***6 Then the EVER-LIVING asked Cain "Why are you angry, and why has your countenance fallen?"***

***7 If you do right is there not approval? And if you do not do right sin crouches at the door and awaits you; but you should conquer it.***

Think about it. If Cain was the son of this alleged evil spirit being called satan, why would GOD tell Cain that he needs to overcome and conquer the sin crouching at his door? And that if he does do right, there is approval and he will be accepted? Why would He advise and expect something of someone He knew was "*satan's seed*," that was not capable of doing good, overcoming, and being accepted? I do not believe He would.

God's Word tells us that Cain did not do right and was not approved and accepted because he did not overcome and did not conquer the sin crouching at his door. In fact, he went on

to murder his brother Abel and when God asked him where Abel was and what had become of him, Cain lied and said that he did not know.

Jesus said to the Jews in **John 8:44**:

*Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*

Well, who was the first murderer and liar from the beginning? **It was Cain!** Jesus is saying that the Jews followed after the way of Cain so therefore, they were figuratively “his children” as have been many others we find listed in the first few verses of **Jude**. [Editor’s Note: in verse 33-34 Jesus spoke to Jews that believed on Him.]

### **Jude 5-11**

*<sup>5</sup> I will therefore put you in remembrance, though ye once knew this, how that the Lord, having saved the people out of the land of Egypt, afterward destroyed them that believed not.*

*<sup>6</sup> And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.*

*<sup>7</sup> Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.*

What does **Jude 11** say about the above people?

*Woe unto them! for they have gone in the way of Cain...*

Man does not need the help of a satan or devil to be evil.

### **Mark 7:20-23**

*<sup>20</sup> And he (Jesus) said, That which cometh out of the man, that defileth the man.*

*<sup>21</sup> For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders,*

***22 Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness:***

***23 All these evil things come from within, and defile the man.***

**Romans 8:7**

***Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be.***

**Galatians 5:19-21**

***19 Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness,***

***20 Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies,***

***21 Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.***

So again, man can be desperately wicked and evil, all without the influence or help of a super spook called satan or the devil.

One final thing, **1 John 3:12:**

***Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? ...***

**Who was this wicked one?**

This verse in the Ferrar Fenton translation has it this way:

***We should love one another, not being impelled by the wicked one, as Cain was who murdered his brother.***

The word ***impelled*** means “to drive, excite to action, urge.” Remember we read in **Genesis 4:7** that sin lay at Cain’s door and that Cain should rule over him. Sin was personified in **Genesis 4:7**. I believe the wicked one here in **1 John 3:12** is also sin personified as it was in **Genesis 4:7**.

I do believe that the Jews are genetically people who are hated and cursed by God and contain the seed/blood of Cain, Esau, the Canaanites (which takes in the Hittites the Gergashites, the Amorites, the Perizzites, the Hivites, and the

Moabites), Khazars, Ashkenazi and others. The above people and their descendants are people God has cursed.

Yes, they have a genetic makeup in them to cause them to hate God's true covenant people, the children of Adam, Abraham, Isaac, and Jacob who are the Germanic, Celtic, Anglo-Saxon, and kindred Christian nations. They hate and work against Jesus Christ, His People, and His Kingdom. They are the tares that Jesus spoke of who will be burned at His return. They are an evil seed, race/people.

**But, are they the offspring, seed, descendants of an evil spirit being. No!**

Because the Bible contains figurative language such as idioms, metaphors, hyperbole, allegories, fables, proverbs, and symbolism, [Editor's Note: Over 490 identified by E. W. Bullinger in his book *Figures of Speech in the Bible.*] the dual seedliners and those who believe there is no literal devil or satan could debate until the return of Christ and probably will. ## Following God Changes El Salvador

El Salvador President  
Interviewed by Tucker Carlson

I highly recommend you watch this interview. The whole interview is on X or on The Tucker Carlson Network. Portions are on YouTube. President Bukele said they had a three point plan to fight

the gangs. First point, was to seek God's Wisdom. His entire cabinet prayed for God's help and protection. God answered those prayers with over 70,000 gang members incarcerated with only eight deaths of police and military and NO civilian casualties. They went from being the murder capital of the world to being one of the safest countries and all praise is given to our Heavenly Father by President Bukele.

He told Tucker Carlson that MS-13 started in Los Angeles because Mexican gangs would not allow Salvadorans to sell drugs, so the Salvadorans formed a gang to oppose the Mexican drug dealers. MS-13 was exported to other locations in the US. Some of the MS-13 gang members were deported back to El Salvador and MS-13 became established there as a huge criminal organization. Bukele said that as the organization grew, it began doing Satanic rituals. Here is a synopsis given on X.

**Whoa. The President of El Salvador just told Tucker that MS 13 participates in Satanic child sacrifice rituals after he saved the country from the gang takeover that infected the nation.**

But the mainstream media told me that this was supposed to

be a conspiracy theory?

This is a battle between good vs evil.

If you're not awake yet, then it's time to start realizing that we are in a spiritual war.

**"They are Satanic...."**

They started killing more people...but as the organization grew, they became Satanic. They started doing Satanic rituals...When you interview gang members in prison...when you ask them why they aren't in the gang anymore....

The guy asked how many people have you killed? He didn't remember how many. They asked him what is your position? He explained how he went up in position but he left the gang. He explains I was used to kill people. I killed for territory, extortion...but I came to this house, they were about to kill a baby. He said why are we going to kill that baby?

They told him because *"the beast"* asked for a baby so we have to give him a baby.

He left the gang so he couldn't tolerate what he was seeing...

**So human sacrifice was a part....**

"There's a spiritual war and there's a physical war. If you win the spiritual war, it will reflect into the physical war. Our impressive victory was because we won the spiritual war...

You said I have a three point plan...And you said the first part of my plan is to seek God's wisdom." Said the President.

Wow.

Tucker truly is helping open the Overton window in a major way.

God bless the President of El Salvador for making his country so great and protecting the children.

## **More and More Mainstream Reports About the Jab Causing Excess Deaths**

The UK paper, *The Telegraph* on May 6, 2024 carried the following headline:

### **Covid Vaccines May Have Helped Fuel Rise in Excess Deaths**

Researchers from The Netherlands analysed data from 47 Western countries and discovered there had been more than three million excess deaths since 2020, with the trend continuing despite the rollout of vaccines and containment measures.

Writing in the *BMJ Public Health*, the authors from Vrije Universiteit, Amsterdam, said: *“Although Covid-19 vaccines were provided to guard civilians from suffering morbidity and mortality by the Covid-19 virus, suspected adverse events have been documented as well.*

*“Both medical professionals and citizens have reported serious injuries and deaths following vaccination to various official databases in the Western World.”*

They added: *“During the pandemic, it was emphasised by politicians and the media on a daily basis that every Covid-19 death mattered and every life deserved protection through containment measures and Covid-19 vaccines. In the aftermath of the pandemic, the same moral should apply.”*

...They warned that side effects linked to the Covid vaccine had included ischaemic stroke, acute coronary syndrome and brain haemorrhage, cardiovascular diseases, coagulation, haemorrhages, gastrointestinal events and blood clotting.

German researchers have pointed out that the onset of excess mortality in early 2021 in the country coincided with the rollout of vaccines, which the team said

*“warranted further investigation”.*

However, more recent data regarding side-effects has not been made available to the public, with countries keeping their own individual databases of harms, which rely on self-reporting by the public and doctors, the experts warned.

One Japanese official actually issued a tearful apology

### **Japanese Leader Apologizes to the Unvaccinated: ‘You Were Right, Vaccines Are Killing Millions of Our Loved Ones’**

Kazuhiro Haraguchi, the former Japanese Minister for Internal Affairs, has become the first major politician to apologize to the unvaccinated for the tsunami of deaths occurring among the vaccinated population.

Haraguchi began by addressing the grief and loss felt by families who have lost loved ones who were coerced into taking the COVID jab. With a deep sense of sincerity, he extended his condolences and took responsibility for the failings of those in power. *“I apologize to all of you. So many have died, and they shouldn’t have,”* he said.

...Haraguchi then shared a deeply personal story about his own health struggles. After receiving vaccines, he developed a severe illness, specifically a rapidly progressing form of cancer. *“This time last year, I had neither eyebrows nor hair. Two out of the three supposed vaccines I received were lethal batches,”* he revealed. This candid account of his battle with cancer, which included significant physical changes like hair loss, struck a chord with the audience. He recounted an incident where his appearance became a point of distraction in the Diet, with an opponent focusing more

on his wig than the issues at hand.

Adding to the conversation, Haraguchi disclosed that he was not the only member of Japan's National Diet (legislature) to suffer adverse effects from vaccines. He mentioned that three of his colleagues had been severely affected, with some even hospitalized. *"They are falling to pieces, some hospitalized. But they don't speak up,"* he explained. This revelation underscored a broader issue: the reluctance or inability of public figures to discuss their personal health challenges openly.

## **Democrats Shut Down Investigation into Maine's Surging Excess Deaths**

Frank Bergman June 20, 2024

Democrats in Maine have stepped in and shut down an investigation by Republican lawmakers into the state's spike in excess deaths. Republican State Rep. Heidi Sampson (R-Alfred) is raising the alarm over Maine's surging excess deaths. Sampson warns that the state has suffered an alarming "silent epidemic." She revealed that data shows that excess deaths are now 18% higher than they were in 2020. Specifically, the state has seen a surge in sudden deaths among young and middle-aged adults with no known previous illness.

However, Sampson revealed that the state's Democrat lawmakers "shrugged their shoulders" when she proposed investigating the deaths. Alarmingly, she warns that Democrats have stymied her effort to investigate the issue.

# Red Pill Expo 2024 Exposes the Problems But Fails on the Solutions

by Martha Barley

## 2 Chronicles 7:14

*If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

On June 15-16, I was privileged to attend **The Red Pill Expo** put on by G. Edward Griffin, the author of **The Creature from Jekyll Island** (1994), **World Without Cancer** (1974), **Fearful Master: A Second Look at the United Nations** (1964).

Mr. Griffin has been a voice crying in the wilderness since the 1950s about the threat from communism, etc. He has been a part of the John Birch Society for many years and you can watch his old videos from that time that are as true today as they were then. Mr. Griffin is now 92 years young and he and his wife have been married 72 years!

The speakers included Dr. Bryan Ardis who showed how many drugs produced by the pharmaceutical manufacturers have snake venom in them. It was eye opening. Another speaker was Robert Brame, a forensic arborist (a tree expert who specializes in analyzing forest fires, infestations, and other causes of tree decline or destruction) talked about the various fires around America that are not normal. His conclusion, shocking as it may be, is that the only thing that could create these anomalies, is a directed-energy weapon, like those known to have been developed by the US and Chinese military. Michelle Melendez complimented this with facts about the Lahaina, Maui, Hawaii fire.

David Webb showed how legislation is being written so that banks can legally steal your property and the fight in Nebraska to change that. Aaron Day spoke on digital currency and control. Jonathan Couey, PhD, spoke on why the COVID narrative is impossible, and Stacy Olinger from

homeschoolboss.com had wonderful advice for home schoolers. There were many other speakers on other important subjects, but none of them brought up our need to repent, turn from our wicked ways, and do things God's Way. The solutions offered were all how to save ourselves using the arm of the flesh and God may use some of these methods to awaken people to the evil, but they are not solutions. Most of these folks are sincere Christians, but they do not know who they are and they have no idea that we must cry out to God and He will heal our land.

Please pray daily for the promises of Joel to be manifest in His People and continue to share the Truth with His People.

### **Joel 2:11-13; 28-32**

***11 And the Lord shall utter his voice before his army: for his camp is very great: for he is strong that executeth his word: for the day of the Lord is great and very terrible; and who can abide it?***

***12 Therefore also now, saith the Lord, turn ye even to me with all your heart, and with fasting, and with weeping, and with mourning:***

***13 And rend your heart, and not your garments, and turn unto the Lord your God: for he is gracious and merciful, slow to anger, and of great kindness, and repenteth him of the evil.***

***28 And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions:***

***29 And also upon the servants and upon the handmaids in those days will I pour out my spirit.***

***30 And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke.***

***31 The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord come.***

***32 And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered: for in mount Zion and in Jerusalem shall be deliverance, as the Lord hath said, and in the remnant whom the Lord shall call.***

# **Do You Know What Can Happen to White Christians Who are NOT Jesus Christ and His Kingdom Centered?**

Hear Ye, Hear ye, AR

Take a look at history...

What does it teach us?

***They can readily be converted to Janissaries!***

Richard Kelly Hoskins explains it the best in his Bible Smarts "Problem Solver" book ... [#875, large print \$10, small print \$5]

**"In 1363, The Ottoman Empire bought kidnapped European Saxon/Christian children and raised them as Mohammadans [Muslims]. They were taught to hate their own Saxon Kinsmen. When mature, some 20,000 - 40,000 were enlisted in the Sultan's armies and were the spearpoint of the Islamic armies invading Europe.**

**"Sheep with wolf hearts'...they were the most feared of Islam's warriors. In time, they exerted enormous power in Islam, ... so in 1826, a Turkish ruler issued the orders to exterminate them.**

**Today, Saxons raised in Esau's public and private-endowed schools are often taught to become anti-white Janissaries and hate their own kind.**

**These radicals led bloody attacks on Ruby Ridge, Waco, etc. They also joined Esau in terminating Saxons in Haiti, the 1848 revolts in Europe, The Boer War, The Russian Revolution, WW1, WW2, etc.**

**The liberal Janissary is more feared than his sworn enemy - Esau."**

Are we not seeing this happening to White Christians today?
